

FREEBEE COIN - Official Whitepaper

Introduction:

FREEBEE COIN is a cryptocurrency project that merges meme culture with real-world utility. It rewards individuals and communities for eco-friendly actions, beginning with pet waste collection. Built for fun, function, and fairness.

Vision:

To become a truly accessible, community-powered meme coin with practical impact and joyful experiences -- both online and offline.

Tokenomics:

- Total Supply: 1,000,000 FREEBEE
- Community Rewards: 50%
- Liquidity Pool: 25%
- Airdrop Campaigns: 15%
- Development & Marketing: 10%

Core Values:

- Practicality: Designed for real-world actions and rewards.
- Efficiency: Minimalist design and eco-smart.
- Accessibility: For everyone, not just crypto experts.
- Functionality: Backed by real use cases like the poop-reward app.

Roadmap Highlights:

- Phase 1: Project Planning, Website Launch, Token Creation

FREEBEE COIN - Official Whitepaper

- Phase 2: Whitepaper Release, Community Setup, App Integration
- Phase 3: DEX Listing, Airdrop Campaigns, NFT Utility
- Phase 4: Ecosystem Expansion, Global Partnerships, Real-World Adoption

Use Cases:

- Use FREEBEE within an eco-action reward app
- Earn FREEBEE by cleaning pet waste
- Redeem for real-world rewards at partner stores

Conclusion:

FREEBEE COIN is a bridge between real action and digital rewards -- simple, smart, and powered by you.
